

Entrance Scholarship Application

Virginia University of Oriental Medicine offers supplemental institutionally funded scholarship programs throughout the year to eligible students who demonstrate excellent academic achievement.

Entrance Scholarship Guidelines

- This Scholarship is limited to new students enrolling a degree program offered at Virginia University of Oriental Medicine.
- This Scholarship amount is \$500 and is awarded up to 5 new students per Quarter.
- The fund is applied to tuition expenses only and applied to student's account before the instruction begins.
- The awardee must be enrolled as a full time student for the first Quarter of instruction at VUOM.
- The award decisions are determined and granted by the VUOM Scholarship Committee
- The application due date is 2 weeks before the new Quarter begins.

Please submit the application and supporting documentations to the Admissions Office or send to scholarship@vuom.edu

Signature: _____

Date: _____

DISCLOSURES The VUOM scholarship program is subject to change without prior notice. The student is limited to one scholarship award per quarter even in the event the student qualifies for more than one scholarship. Each scholarship award is credited toward the designated student's tuition. If the number of qualified applicants for a particular scholarship is less than the maximum number of possible awards designated by the University, only the number of qualifying scholarship applications will be awarded.
