

Academic Scholarship Application

Virginia University of Integrative Medicine offers supplemental institutionally funded scholarship programs throughout the year to eligible students who demonstrate excellent academic achievement.

Academic Scholarship Guidelines

- This Scholarship is limited to current students who are enrolled in a degree program offered at Virginia University of Integrative Medicine as a full time and maintains a minimum Cumulative Grade Point Average (CGPA) of 3.7 or higher.
- This Scholarship amount is \$500 and is awarded up to 8 new students per Quarter.
- The fund is applied to tuition expenses only and applied to student's account before the next Quarter begins.
 - Exception – scholarship funds cannot be applied to expenses related to Audit or Independent Study, including tuition.
- The awardee must be enrolled as a full-time student for the next Quarter of instruction at VUIM.
- The award decisions are determined and granted by the VUIM Scholarship Committee.
- The application due date is 2 weeks after the current Quarter begins.

Please submit the application and supporting documentations to the Admissions Office or send to scholarship@vuim.edu

Date:

DISCLOSURES The VUIM scholarship program is subject to change without prior notice. The student is limited to one scholarship award per quarter even in the event the student qualifies for more than one scholarship. Each scholarship award is credited toward the designated student's tuition. If the number of qualified applicants for a particular scholarship is less than the maximum number of possible awards designated by the University, only the number of qualifying scholarship applications will be awarded.
